Bulldogs Rugby

MONTHLY NEWSLETTER

Touch Rugby

Thanks to Brian Meindl and his team of volunteers for running another successful touch rugby league in Trenton. The Belleville league will be running until Sunday, June 21. With approximately 100 participants, these leagues build a strong foundation for our future rugby stars!

U14 Boys

The Bulldogs need more u14 boys to register for the season. This team is full contact, and is open to all boys in grades 6 to 8. Practices will take place on Mondays and Wednesdays with games on Saturday mornings. No previous rugby experience is required as it is a developmental league. Contact Brian Meindl if you have any questions about the upcoming season: bmeindl@hpedsb.on.ca

Senior Rugby

The men have started their season strong with two wins over Brock RFC and Ajax Academy. They look to continue their success on June 6 when they travel to Etobicoke.

The women opened the season with a win over Cobourg and a narrow loss to Oshawa. The Lady Bulldogs will be looking to have a strong game at home when they take on the Pagans on June 13.

The old boys are looking to bounce back from a tough loss when they host the Krocks on June 7.

Registration

All players must register online with a credit card. Players who need to make alternative arrangements can email bellevillebulldogs@live.com.
